Custom Pet Portrait Product Details

Archival Fuji Print: Professional Print thats ready for you to frame it. * 11x14 size includes a white mat board.

Metal Print w/Wall Mount: Printed on Brilliant Aluminum w/Stand Out Wall Mount and rounded corners.

Resin coated Print w/Gallery Mount: Modern, cuts framing costs, and are durable. WP does resin coating and uses a superior product called Art Resin that will not yellow over time like other resins.

Luxury Canvas: Includes Gallery Wrap with choice of a solid color on the side or an image wrap, stretcher frame and includes a backing dust cover with mounting ensemble. Why is canvas so expensive? Let me tell you this canvas is worth it. Cheap canvas companies like Canvas on Demand will warp over time and sag.
